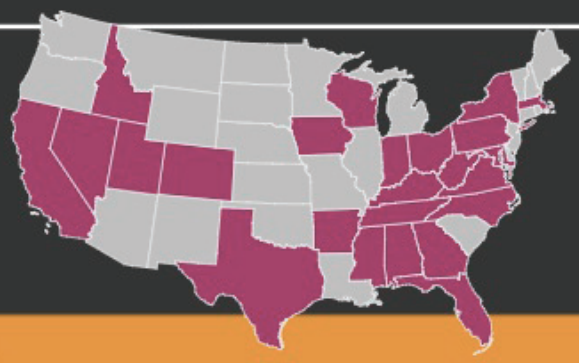
Supporting patients through charitable grants



53 HEMOPHILIA CAMPS across 25 states!

17 APRIL 2014

Hemophilia Day

Independent Grants for Learning & Change

1,000+

going up

Patients Reached

Support for HCP Education:

NHF 65th Annual Conference

7th Symposium on Hemostasis

12th Workshop on Novel Therapies for Hemophilia

Great Plains Regional Meeting

HCP Education Goals:

Facilitate enhanced coordination of care and communication between patients with hemophilia and doctors, and ensure practitioners know how to safely treat and monitor these patients.
