NEW YORK--(BUSINESS WIRE)-- Pfizer Inc. (NYSE: PFE) invites investors and the general public to access a live video webcast of a presentation and conference call with investment analysts at 10 a.m. EDT on Friday, April 9, 2021. Pfizer Oncology leadership will provide an update on the Oncology pipeline progress, specifically how the company is applying its capabilities to move quickly and utilize cutting-edge science to key programs such as LORBRENA® (lorlatinib) in ALK-positive metastatic lung cancer, elranatamab (PF-06863135) in multiple myeloma and our next generation breast cancer portfolio.

To access the live webcast, including audio, video and presentation slides, visit our web site at www.pfizer.com/investors. Information on accessing and registering for the webcast will be available at www.pfizer.com/investors beginning today. Participants are advised to register in advance.

Participants will also have an opportunity to ask questions in a live Q&A session with speakers. Those participants who would like to ask a question can dial either (833) 741-0115 in the United States and Canada or (818) 488-5731 outside of the United States and Canada. The password is "Pfizer Oncology".

Visitors to www.pfizer.com/investors will be able to view and listen to an archived copy of the webcast following the conclusion of the event.

About Pfizer: Breakthroughs That Change Patients' Lives

At Pfizer, we apply science and our global resources to bring therapies to people that extend and significantly improve their lives. We strive to set the standard for quality, safety and value in the discovery, development and manufacture of health care products, including innovative medicines and vaccines. Every day, Pfizer colleagues work across developed and emerging markets to advance wellness, prevention, treatments and cures that challenge the most feared diseases of our time. Consistent with our responsibility as one of the world's premier innovative biopharmaceutical companies, we collaborate with health care providers, governments and local communities to support and expand access to reliable, affordable health care around the world. For more than 170 years, we have worked to make a difference for all who rely on us. We routinely post information that may be important to investors on our website at www.Pfizer.com. In addition, to learn more, please visit us on www.Pfizer.com and follow us on Twitter at @Pfizer and @Pfizer News, LinkedIn, YouTube and like us on Facebook at [Facebook.com/Pfizer](https://www.facebook.com/Pfizer).

Disclosure Notice: The webcast may include forward-looking statements about, among other things, our anticipated operating and financial performance, business plans and prospects; expectations for our product pipeline, in-line products and product candidates, including anticipated regulatory submissions, data read-outs, study starts, approvals, post-approval clinical trial results and other developing data that become available, revenue contribution, growth, performance, timing of exclusivity and potential benefits; our efforts to respond to COVID-19, including our development of a vaccine to help prevent COVID-19 that are subject to substantial risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. A description of these risks and uncertainties can be found in Pfizer's Annual Report on Form 10-K for the fiscal year ended December 31, 2020 and in its subsequent reports on Form 10-Q, including in the sections thereof captioned "Risk Factors" and "Forward-Looking Information and Factors That May Affect Future Results", as well as in its subsequent reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission and available at www.sec.gov and www.pfizer.com.

The forward-looking statements in the webcast speak only as of the original date of the webcast. Pfizer assumes no obligation to update forward-looking statements contained in the webcast as the result of new information or future events or developments.
