Pfizer Declares First-Quarter 2025 Dividend

Thursday, December 12, 2024 - 05:25pm

Board of Directors approves increase in quarterly cash dividend to $0.43 per share

NEW YORK--(BUSINESS WIRE)-- Pfizer Inc. (NYSE: PFE) today announced that its board of directors declared an increase in the quarterly cash dividend on the company's common stock to $0.43 for the first-quarter 2025 dividend, payable March 7, 2025, to holders of the Common Stock of record at the close of business on January 24, 2025. The first-quarter 2025 cash dividend will be the 345th consecutive quarterly dividend paid by Pfizer.

"Our decision to increase our quarterly dividend underscores our strong financial performance, disciplined execution and our commitment to returning value to our shareholders," said Dr. Albert Bourla, Pfizer Chairman and Chief Executive Officer.

About Pfizer: Breakthroughs That Change Patients' Lives

At Pfizer, we apply science and our global resources to bring therapies to people that extend and significantly improve their lives. We strive to set the standard for quality, safety and value in the discovery, development and manufacture of health care products, including innovative medicines and vaccines. Every day, Pfizer colleagues work across developed and emerging markets to advance wellness, prevention, treatments and cures that challenge the most feared diseases of our time. Consistent with our responsibility as one of the world's premier innovative biopharmaceutical companies, we collaborate with health care providers, governments and local communities to support and expand access to reliable, affordable health care around the world. For 175 years, we have worked to make a difference for all who rely on us. We routinely post information that may be important to investors on our website at www.Pfizer.com .
